

SW Region's "Eye on Training" is on "NSPS CONNECT"

This  + "ON" +  + "ING" announces the newest one-stop NSPS Portal: [NSPS Connect](#).

WHAT IS NSPS CONNECT?

[NSPS Connect](#) is "Your Gateway to NSPS Information." It is a one-stop comprehensive web page for accessing a vast range of neatly organized links and sub-links to quickly access NSPS products such as online training courses, fact sheets, tip sheets, worksheets, brochures, user guides, automated tools and more.

This centralized portal went live on 20 May 2009 and it allows key stakeholders to access learning materials and resources in one centralized location.

[NSPS Connect](#) was developed because of feedback that was received from NSPS employees at all levels. There were several meetings and focus groups where the employees stated that they needed to see the NSPS materials, resources and tools in one centralized location for easy access.
